

ELECTRONIC IMAGE DIVISION (EID) INVITATIONAL
COLUMBIA COUNCIL OF CAMERA CLUBS
2018 CONVENTION

All 4C's member clubs are invited to enter images for this competition. This is a club competition, and images can only be sent by your club competition chairperson. A full set of ten images is required for each club entry.

Entry Guidelines

There are no classes/divisions or restrictions on how the image was made; it only has to be an electronic file which started as a photograph and must be entirely the work of the entrant to compete. Images may be color or monochrome, traditional or creative, or any combination.

- Submit no more than two images per club member. Exception: if your club has fewer than 5 members creating electronic images, you may submit up to 3 images per person.
- Submit all 10 images by email to the address provided below. Please use Invitational on email subject line when submitting.
- Entry deadline is September 15, 2018
- Images that have been entered in a previous Convention Invitational or received an award in EID competitions between September 2010 and August 2018 are not eligible.
- Invitational images cannot be submitted if they are being recalled for other year end competitions. This includes EID and Print images.
- **New material is encouraged for all Invitational submittals.**

Image Files

- The images must be in jpg (jpeg) format.
- **The maximum dimension is 1024 pixels on the long side (in either vertical or horizontal format).**
- Image file size may not be larger than **1Mb**.
- Images will be viewed in the sRGB colorspace. It is recommended that images be prepared in sRGB.

Image File Naming

- Each image filename must begin with a number--use sequence numbers 01 through 10, in the order that you want the images projected for the judges. Do not add spaces, dashes or underlines after the number.
- Name each image as you do for Monthly EID competitions.
