MEET YOUR PRESIDENT

I want to introduce myself to 4C's members. I was elected as the Chair for Columbia Council of Camera Clubs for the next two years. It is both a honor, and a challenge to serve this wonderful organization. I'm a relative Newbie to 4C's and promise to do my best as your new Chairperson. My home club is Cape Arago Photography Association (CAPA) in Coos Bay, which is also a relative new club. I have been learning the ropes from the other Executive Committee members; Gordon Battaile, Lisa Nathan, and Vivian McAleavey, for the last couple of years and they are excellent teachers and leaders.

I usually use a Sony mirrorless camera, and I'm a hobby photographer who likes to shoot landscapes, small landscapes, macro, stillife, and I dabble in altered reality and creative photography. I enjoy traveling in our RV with my husband Tom, and we keep busy taking pictures along the way. I'm a native Oregonian and grew up, worked, and lived in the Eugene area, and have lived in Grants Pass and Coos Bay since retirement.

I plan on getting to know more of you this year, and I plan to attend some of the club meetings as the clubs decide to meet in person, or by Zoom. Let me know if you would like a visit to your club. If you have questions, input, or just want to say hi, feel free to send me a message and I'll get back to you as soon as I can. Thank you for the opportunity to be of service to the Columbia Council of Camera Clubs and all the member clubs. I'm Looking forward to an enjoyable and rewarding year!

DEADLINES & EVENTS

January 2022

1/22 Quarterly Reps meeting via Zoom

11/31 Monthly EID entries due

1/31 Quarterly EID Submission Deadline

February 2022

THE COUNCIL WEBSITE, A SOURCE OF INFORMATION

The 4C's website can be accessed by entering www.columbiacameraclubs.org. It is the source of much information for both camera club members and council officers and chairs. The Document Library has sections including Gold Book (the official documents of council organization and rules of competition), a new member handbook, print labels, EID competition, and a section for miscellaneous documents. The growth of the website and its utilization has been greatly enhanced in the last year by Lisa Nathan, the webmaster. The Gold Book section has been updated by Gordon Battaile to reflect the most recent changes in competition.

UPCOMING BOARD MEETING

The January Board meeting will be held via Zoom on January 22nd at 9:30am. Information with the link will be sent to all reps and board members.

4C'S WEBSITE GALLERY

4C's Website Gallery showcases the award winning images for all competitions. If you want your prints posted, please send a digital copy to David and Cynthia and copy the Secretary at Secretary@columbiacameraclubs.org and they will be upload to the website. Please remember to include your name and club name, the award and competition the image was entered in and the title. Resizing should match EID sizing guidelines.

CONGRATULATIONS!

Congratulations! We'd like to help you celebrate! Send us your good news about publications, awards, contest winners, etc. We'll announce it on our Facebook page and in our newsletter. Send news to Lisa at secretary@columbiacameraclubs.org.

Like to Write? We're looking for technical articles, photo trip experiences, bios, or any other photo related article from those of you who love writing or just want to give it a try. Send articles, etc. to Lisa at secretary@columbiacameraclubs.org.

In Memory

We are saddened to hear that former 4Cs Chair Walt Brunner passed away January 10th after a 5 year battle with cancer. Walt was a member of and club representative for the Tri-City Photography Club, who served as 4Cs Vice Chair from 2011-2013, and then 4Cs Chair from 2013-2015. While he was VC was also one of the people behind the very successful 2012 convention in Pasco. An excellent photographer, Walt won awards for both his landscape images and his water droplet photography. Our condolences go out to his wife Lisa and the TPC.
